Note to existing members: This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to “we,” “us,” or “our,” it means Mercy Care. When it refers to “plan” or “our plan,” it means Mercy Care Advantage.

This document includes a list of the drugs (formulary) for our plan which is current as of 02/01/2025. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages. You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2024, and from time to time during the year.

What is the Mercy Care Advantage (HMO SNP) Formulary?

A formulary is a list of covered drugs selected by Mercy Care Advantage in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. Mercy Care Advantage will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a Mercy Care Advantage network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

Can the Formulary (drug list) change?

Most changes in drug coverage happen on January 1, but Mercy Care Advantage may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
 - o If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled “How do I request an exception to the Mercy Care (HMO SNP)’s Formulary?”
- **Drugs removed from the market.** If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug’s manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to the market to replace a brand-name drug currently on the formulary, or add new restrictions to the brand-name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 31-day supply of the drug.
 - o If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Mercy Care Advantage (HMO SNP)’s Formulary?”

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2025 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2025 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 02/01/2025. To get updated information about the drugs covered by Mercy Care Advantage please contact us. Our contact information appears on the front and back cover pages. If we update the formulary during 2025 due to a non-maintenance formulary change, an updated version of the formulary and the notice issued to affected members will be posted on our website at [MercyCareAZ.org](https://www.mercycareaz.org). Printed formularies will be updated with the changes using an errata notice.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on page 1. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular Agents". If you know what your drug is used for, look for the category name in the list that begins on page 1. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 60. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

What are generic drugs?

Mercy Care Advantage covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Mercy Care Advantage requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from Mercy Care Advantage before you fill your prescriptions. If you don't get approval, Mercy Care Advantage may not cover the drug.
- **Quantity Limits:** For certain drugs, Mercy Care Advantage limits the amount of the drug that Mercy Care Advantage will cover. For example, Mercy Care Advantage provides 30 tablets per prescription for rosuvastatin. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, Mercy Care Advantage requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, Mercy Care Advantage may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Mercy Care Advantage will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 1. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask Mercy Care Advantage to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, “How do I request an exception to the Mercy Care Advantage’s formulary?” on page V for information about how to request an exception.

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that Mercy Care Advantage does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by Mercy Care Advantage. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by Mercy Care Advantage.
- You can ask Mercy Care Advantage to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the Mercy Care Advantage (HMO SNP) Formulary?

You can ask Mercy Care Advantage to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, Mercy Care Advantage limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, Mercy Care Advantage will only approve your request for an exception if the alternative drugs included on the plan’s formulary or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, or utilization restriction exception. **When you request a formulary or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber’s supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

What do I do before I can talk to my doctor about changing my drugs or requesting an exception?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 31-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 31-day supply of medication. After your first 31-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you are admitted to or discharged from a long-term care facility, you will be allowed to refill a prescription upon admission or discharge.

Cuando esta lista de medicamentos (formulario se refiere a “nosotros” o a “nuestros”, esto significa Mercy Care. Cuando se refiere al “plan” o a “nuestro plan”, esto significa Mercy Care Advantage.

Este documento incluye una lista de los medicamentos (formulario de nuestro plan, la cual está actualizada a la fecha de 02/01/2025. Para un formulario actualizado, por favor contáctenos. Nuestra información de contacto, junto con la fecha en la que actualizamos por último el formulario, aparece en la portada y la contraportada.

Por lo general, usted debe usar farmacias de la red para usar su beneficio de medicamentos de prescripción. Los beneficios, el formulario, la red de farmacias, y/o los copagos/el coseguro pueden cambiar el 1º de enero de 2024, y de tiempo en tiempo durante el año.

¿Qué es el Formulario de Mercy Care Advantage (HMO SNP)?

Un formulario es una lista de medicamentos cubiertos seleccionados por Mercy Care Advantage en consulta con un equipo de proveedores del cuidado de la salud, el cual representa las terapias de prescripción/receta que se considera son una parte necesaria de un programa de tratamiento de calidad. Por lo general, Mercy Care Advantage cubrirá los medicamentos listados en nuestro formulario, siempre y cuando el medicamento sea médicamente necesario, la prescripción/receta sea surtida en una farmacia de la red de Mercy Care Advantage, y se sigan otras reglas del plan. Para más información sobre cómo surtir sus prescripciones/recetas, por favor revise su Evidencia de Cobertura.

¿El Formulario (lista de medicamentos) puede cambiar?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1º de enero, pero Mercy Care Advantage puede agregar o eliminar medicamentos en la Lista de Medicamentos durante el año, cambiarlos a niveles de costo compartido distintos o agregar nuevas restricciones. Nosotros debemos seguir las reglas de Medicare para hacer estos cambios.

Cambios que pueden afectarle este año: En los casos a continuación, usted se verá afectado/a por los cambios a la cobertura durante el año:

- **Nuevos medicamentos genéricos.** Nosotros podemos eliminar inmediatamente un medicamento de marca de nuestra Lista de Medicamentos si lo estamos reemplazando con un medicamento genérico nuevo que aparecerá en el mismo nivel o en un nivel más bajo de costo compartido y con las mismas o menos restricciones. Además, al agregar el nuevo medicamento genérico, nosotros podemos decidir retener el medicamento de marca en nuestra Lista de Medicamentos, pero cambiarlo inmediatamente a un nivel de costo compartido distinto o agregar nuevas restricciones. Si actualmente usted está tomando dicho medicamento de marca, es posible que nosotros no le informemos por adelantado que haremos dicho cambio, pero más tarde le proveeremos información sobre el/los cambio/s específico/s que hayamos hecho.
 - o Si nosotros hacemos dicho cambio, usted o la persona prescribiéndole pueden pedirnos que hagamos una excepción y que continuemos cubriendo el medicamento de marca para usted. El aviso que nosotros le proveeremos también incluirá información sobre cómo solicitar una excepción, y usted puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de Mercy Care Advantage (HMO SNP)?”
- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento en nuestro formulario no es seguro, o si el fabricante del medicamento retira el medicamento del mercado, nosotros inmediatamente retiraremos el medicamento de nuestro formulario y les proveeremos un aviso a los miembros que estén tomando dicho medicamento.
- **Otros cambios.** Nosotros podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, nosotros podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca actualmente en el formulario o agregar nuevas restricciones al medicamento de marca o cambiarlo a un nivel de costo compartido distinto o ambas cosas. O podemos hacer cambios basados en nuevas directrices clínicas. Si retiramos medicamentos de nuestro formulario, o agregamos autorización previa, límites de cantidad y/o restricciones de terapia a pasos a un medicamento, nosotros debemos notificárselo a los miembros afectados por el cambio por lo menos 30 días antes de que el cambio entre en vigor, ó cuando el miembro pida que se le vuelva a surtir el medicamento, en cuyo momento, el/la miembro recibirá un suministro para 31 días del medicamento.

- o Si nosotros hacemos estos otros cambios, usted o la persona prescribiéndole pueden pedirnos que hagamos una excepción y que continuemos cubriendo el medicamento de marca para usted. El aviso que le proveeremos también incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de Mercy Care Advantage (HMO SNP)?”

Cambios que no le afectarán si usted está tomando actualmente el medicamento. Por lo general, si usted está tomando un medicamento listado en nuestro Formulario de 2025 que fue cubierto a principios de año, nosotros no interrumpiremos ni reduciremos la cobertura del medicamento durante el año de cobertura de 2025 excepto como se describió anteriormente. Esto significa que estos medicamentos permanecerán disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de la cobertura. Este año usted no recibirá un aviso directo sobre los cambios que no le afecten a usted. Sin embargo, el 1º de enero del próximo año, dichos cambios le afectarían a usted, y es importante que revise la Lista de Medicamentos del nuevo año de beneficios para cualquier cambio a los medicamentos.

El formulario adjunto entra en vigor a partir de 02/01/2025. Para obtener información actualizada sobre los medicamentos cubiertos por Mercy Care Advantage, por favor póngase en contacto con nosotros. Nuestra información de contacto aparece en la portada y la contraportada. Si nosotros actualizamos el formulario durante 2025 debido a un cambio al formulario que no sea de mantenimiento, se publicará una versión actualizada del formulario y se emitirá un aviso a los miembros afectados en nuestro sitio web **MercyCareAZ.org**. Los cambios a los formularios impresos se actualizarán por medio de un aviso de erratas.

¿Cómo uso el Formulario?

Hay dos formas de encontrar su medicamento dentro del formulario:

Condición Médica

El formulario empieza en la página 1. Los medicamentos en este formulario están agrupados en categorías, dependiendo del tipo de condiciones médicas para cuyo tratamiento se usan. Por ejemplo, los medicamentos usados para tratar una condición cardíaca están listados bajo la categoría de “Agentes Cardiovasculares”. Si usted sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que empieza en la página 1. Después busque en esa categoría el nombre de su medicamento.

Listado Alfabético

Si usted no está seguro/a bajo qué categoría buscar, debería buscar su medicamento en el Índice que empieza en la página 60. El Índice provee una lista en orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos están listados en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, usted encontrará el número de la página en la que podrá encontrar información sobre la cobertura. Pase a la página listada en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Mercy Mercy Care Advantage cubre tanto a los medicamentos de marca como a los medicamentos genéricos. medicamento genérico es aprobado por la Administración de Alimentos y Medicamentos (FDA por sus siglas en inglés) por contar con el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden contar con requerimientos adicionales o límites en la cobertura. Dichos requerimientos y límites pueden incluir:

- **Autorización Previa:** Mercy Care Advantage requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que usted necesitará obtener la aprobación de Mercy Care Advantage antes de surtir sus prescripciones/recetas. Si usted no obtiene la aprobación, Mercy Care Advantage puede no cubrir el costo del medicamento.
- **Límites de Cantidades:** Para ciertos medicamentos, Mercy Care Advantage limita la cantidad del medicamento que Mercy Care Advantage cubrirá. Por ejemplo, Mercy Care Advantage provee 30 tabletas por cada prescripción de rosuvastatin. Esto puede ser en adición al suministro estándar para un mes o tres meses.
- **Terapia a Pasos:** En algunos casos, Mercy Care Advantage requiere que usted pruebe primero ciertos medicamentos para tratar su condición médica antes de cubrir otro medicamento para dicha condición. Por ejemplo, si el Medicamento A y el Medicamento B tratan ambos su condición médica, Mercy Care Advantage puede no cubrir el Medicamento B a menos que usted pruebe primero el Medicamento A. Si el Medicamento A no le funciona, entonces Mercy Care Advantage cubrirá el Medicamento B.

Usted puede informarse si hay cualquier requerimiento o límite adicional para sus medicamentos consultando el formulario que empieza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Nosotros hemos publicado un documento en línea que explica nuestras restricciones sobre la autorización previa y la terapia a pasos. Usted también puede pedirnos que le enviemos a usted una copia. Nuestra información de contacto, junto con la fecha de la última vez que actualizamos el formulario, aparece en la portada y la contraportada.

Usted le puede pedir a Mercy Care Advantage que haga una excepción a estas restricciones o límites, o pedirle una lista de otros medicamentos similares que puedan tratar su condición de salud. Vea la sección “¿Cómo solicito una excepción al formulario de Mercy Care Advantage?” en la página XI para información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero usted debería comunicarse con Servicios al Miembro y preguntar si su medicamento está cubierto.

Si usted descubre que Mercy Care Advantage no cubre su medicamento, tiene dos opciones:

- Usted le puede pedir a Servicios al Miembro una lista de medicamentos similares que estén cubiertos por Mercy Care Advantage. Cuando usted reciba la lista, muéstresela a su doctor y pídale que le prescriba un medicamento similar que esté cubierto por Mercy Care Advantage.
- Usted puede solicitar que Mercy Care Advantage haga una excepción y cubra su medicamento. Vea abajo cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de Mercy Care Advantage (HMO SNP)?

Usted le puede pedir a Mercy Care Advantage que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que usted puede pedir que hagamos.

- Usted nos puede pedir que cubramos un medicamento, aún si no está en nuestro formulario. Si es aprobado, dicho medicamento será cubierto a un nivel de costo compartido predeterminado, y usted no podrá pedirnos que le proveamos dicho medicamento a un nivel de costo compartido más bajo.
- Usted puede pedir que no apliquemos las restricciones o los límites a la cobertura en su medicamento. Por ejemplo, para ciertos medicamentos, Mercy Care Advantage limita la cantidad del medicamento

que nosotros cubriremos. Si su medicamento tiene un límite de cantidad, usted puede pedirnos que no apliquemos el límite y que cubramos una cantidad más alta.

Por lo general, Mercy Care Advantage sólo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan o las restricciones adicionales para su uso no serían tan efectivos tratando su condición y/o podrían ocasionarle efectos médicos adversos.

Usted se debería comunicar con nosotros para pedirnos una decisión inicial de cobertura para una excepción al formulario, o a la restricción de uso. **Cuando usted solicite una excepción al formulario o a la restricción de uso, debería presentar una declaración de su médico o de la persona emitiendo la prescripción respaldando su solicitud.** En general, nosotros debemos tomar nuestra decisión dentro de 72 horas después de recibir la declaración de respaldo de la persona emitiendo la prescripción. Usted puede solicitar una excepción expedita (rápida) si usted o su doctor creen que su salud podría verse seriamente dañada por esperar 72 horas para una decisión. Si se le concede su solicitud de excepción expedita, nosotros debemos darle una decisión no más tarde de 24 horas después de recibir la declaración de respaldo de su doctor o de la otra persona emitiendo la prescripción.

¿Qué hago antes de que pueda hablar con mi doctor sobre cambiar mis medicamentos o solicitar una excepción?

Como miembro nuevo o continuando en nuestro plan, usted puede estar tomando medicamentos que no estén en nuestro formulario. O usted puede estar tomando un medicamento que esté en nuestro formulario pero su capacidad para obtenerlo puede ser limitada. Por ejemplo, usted puede necesitar nuestra autorización previa antes de poder surtir su prescripción/receta. Usted debería hablar con su doctor para decidir si debería cambiar a un medicamento apropiado que nosotros cubramos, o solicitar una excepción al formulario para que nosotros cubramos el medicamento que usted toma. Mientras habla con su doctor para determinar el curso de acción apropiado para usted, en ciertos casos, nosotros podemos cubrir su medicamento durante los primeros 90 días en los que usted sea miembro de nuestro plan.

Para cada medicamento que no esté en nuestro formulario, o si su capacidad para obtener dicho medicamento es limitada, nosotros cubriremos un suministro temporal para 31 días. Si su prescripción ha sido emitida para menos días, nosotros permitiremos que la vuelva a surtir hasta que se le provea medicamento con un suministro máximo de 31 días. Después de su primer suministro para 31 días, nosotros ya no pagaremos por dichos medicamentos, aún si usted ha sido miembro del plan durante menos de 90 días.

Si usted es residente de una instalación de cuidado a largo plazo y necesita un medicamento que no esté en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días como miembro de nuestro plan, nosotros cubriremos un suministro de emergencia de dicho medicamento para 31 días, mientras usted trata de obtener una excepción al formulario.

Si a usted se le admite o se le da de alta de una instalación de cuidado a largo plazo, se le permitirá que se le surta una prescripción ante su admisión o dada de alta.
